### Summer Training

#### MERN Stack Development

June 2023 - July 2023

CSE Pathshala

- Acquired hands-on experience in full-stack development using the MERN stack.
- Developed a responsive online learning management system using React, focusing on intuitive and user-friendly interfaces.
- Developed a robust learning management system using the MERN stack, allowing users to effortlessly browse, enroll, and track progress in various courses through a dynamic and user-friendly interface
- Implemented efficient data management with MongoDB to store and retrieve information about courses, student progress, and enrollment details.

### Projects

#### Netflix GPT

August 2024

- Developed a Netflix-inspired application using React, integrating TailwindCSS for responsive design, and Firebase for authentication, with features like user login, sign-up, and profile management.
- Implemented complex functionality, including TMDB API integration for dynamic movie data, a custom GPT-based search feature, and multi-language support, enhancing the user experience with personalized movie suggestions.
- Built and optimized Redux store management with slices for user, movie, and GPT data, ensuring efficient state management, seamless navigation, and an engaging browsing experience.

### Certificates

#### Server Side Scripting with Node.js

March 2024

coursera— <https://www.coursera.org/account/accomplishments/verify/X4JEXW7LUGSM>

#### The Bits and Bytes of Computer Networking

Nov 2023

Coursera— <https://www.coursera.org/account/accomplishments/certificate/C9NNUKPN5VAM>

#### Objective oriented programming and DSA

July 2023

Iamneo platform

### Technical Skills

**Programming Languages:** HTML, CSS, Javascript, MERN stack, Java.

**Other Skills :** Team work, Time Management, Critical Thinking

### Education

#### Lovely Professional University Punjab

2022 – 2026

Computer Science and Engineering CGPA-8.06

Jalandhar, Punjab

#### Sri Chaitanya Junior college | Anakapalli

2020– 2022

12th with Science — Percentage: 96.6%

Anakapalli, Andhra Pradesh

#### JL High School | Anakapalli

2019 – 2020

10th with science — percentage: 96.0%

Anakapalli, Andhra Pradesh
